Noen av de største miraklene
i verden er ganske små

PREMATURFORENINGEN

Redaktør Marit Kval Hagemoen

Research

- User involvement
- Research funds

If you want to do research on premiees and/or their families, you may apply for funding from the **EkstraStiftelsen** foundation through us. The foundation has two types of projects to apply:

- Research projects
- Health projects

In research projects you may apply for the following titles:

- PhD
- Post Doctorate
- Senior researcher

Position Paper

Involvement of
parent representatives in
neonatal research
